Nick Kothari from B. Bell Builders, LP. has a message regarding the project Agilent Technologies - Lasergen Houston Expansion

BID PACKAGE NAME

Agilent - Lasergen Houston Expansion - MEP Package

ANSWERS TO QUESTIONS AND CLARIFICATIONS

Bidders,

Please see below for answers and clarifications:

Controls - Please contact Travis Brothers for Delta controls - these are to be integrated into existing system.

IT Room HVAC - Please price Liebert Mini-Mate2 in lieu of the Stulz

Generator - Please exclude the price of the generator and ATS - these are being purchased by the Owner. The receiving and setting needs to be picked up by the electrical subcontractor.

Gear - Please price Square D gear.

Thank you.
