Mechanical Electrical Consulting

ADDENDUM NO. 3

PROJECT:
Dr. Bell's Surgery Center
Houston, Texas

Owner:
Dr. Bell

Architects:
MEDesign Architecture

ADDENDUM DATE
May 4, 2018

Notice To Bidders

This addendum will be considered part of the Contract Documents previously issued for the above referenced project as though it had been issued at the same time and will be incorporated integrally therewith. Where provisions of the following supplementary data differ from those of the original Contract Documents, this Addendum will govern and take precedence.

Bidders are hereby notified that they will make any necessary adjustments to their bid proposal as result of this addendum. Each bidder will acknowledge the Addendum in their bid proposal indicating that their proposals are submitted with full knowledge of all modification and supplementary data specified herein or attached herewith.

Table with 3 columns: Page or Sheet No., Item No., and Description of Changes. It lists various modifications to MEP, M, P, and E systems, including power pole installation, grille changes, sink specifications, and lighting fixtures.
